H2O Project

The Lenten H2O Project is an easy way for our entire fraternity to take collective action for the poor who have no access to clean drinking water. During Lent, whenever you would normally buy a coffee or soda, have water instead, and put aside the money saved. Also make a note to focus on and appreciate the clean water that is so available to us, say a prayer, and think of our brothers and sisters who live without clean tap water. Lent is the promotion, but contributions are accepted all year. One member said “I will just add up my coffee cost for all of lent, and send in a check to match that.” Use Apostolic creativity!

“Can you imagine the joy in these people of Awawa having for the first time CLEAN WATER? Thank you, OFS brothers and sisters. May God bless you abundantly.”

Lord, may we never again take for granted a drop of Sister Water, “so precious and pure,” so necessary to our bodies, and integral to all life on our sister Mother Earth.

May we never tire in our efforts to assist those who are deprived of clean water to obtain a steady supply, and always strive for their dignity and health, as much as for our own.

And may we always praise you, whose creation is miraculous and beautiful beyond our understanding. Amen

Thank you for your contributions!

Last year, your donations helped bring clean water to three villages in Uganda, a Capuchin run school in Cameroon, and the border Samaritans who rescue thirsty migrants in the Southwest Desert. On behalf of those communities, thank you!
