## FRANCISCAN JUBILEE

*A message from Jan Parker OFS, National Minister – OFS-USA*

I will never forget my 50<sup>th</sup> birthday. My daughter, aware of the significance of this 50-year mark, made a sign which she hung on my mailbox. It simply said, “*It’s Jan’s Jubilee!*” I still have that sign. It now hangs on a wall in my garage as an important reminder to always turn to God where I find joy and peace beyond all I could ask or imagine.

It was not my idea that the theme of the 2022 Quinquennial Congress would be “**Jubilee**,” but when Br. Bob Brady OFM suggested it, I was thrilled.

I celebrated a personal Jubilee when I turned 50 and found it to be a life-changing year-long experience of discovering again who I am called to be, and the power

of God’s love and mercy. My hope, and the hope of our entire Q Committee, is that this Jubilee Quinquennial will be a life changing experience of conversion, for everyone in our national fraternity, as well as each one who attends.

The history of Jubilee goes back to the law given to the Israelites in Leviticus 25: “*You will declare this fiftieth year to be sacred...You will keep this as a Jubilee...*” God called his people to an economic, cultural, environmental, and communal *reset*, when the land and people rest, and all those who are in slavery are set free to return to their communities. Jubilee law addresses the wellbeing of the community, and calls God’s people to live in ways that reflect good relationships with God, with each other, and with creation.<sup>1</sup> Jubilee law tells us something about God’s intention for his people.

Fast forward to Luke’s gospel and we see Jesus at the beginning of his ministry, declaring *a time of Jubilee* - “the year of the Lord’s favor”- but wait, there’s something more here. Jesus closes the scroll, looks at us, and says, “*Today this scripture has been fulfilled...*” Today! Not just every 50 years, not just every seventh year, but today, and every today! The kingdom is now - *JUBILEE is now*.

In the life, death, and resurrection of Jesus we see Jubilee’s objective: freedom and release from sin, restoration with God, a reset for all of creation. Have we realized this? Internalized it? We find a full description in 2 Corinthians 5, a passage which declares our new creation in Christ, and the call to be re-made, to become that new creation. I look at this passage and rejoice in this *call to conversion*. God’s people – the church – are meant to be a foretaste of what God wants to do for the entire creation. Sisters and brothers, we are meant to not only live Jubilee for ourselves, but to *be Jubilee* for others. The love of God impels us.

God’s command for Jubilee says, “Stop. Step back. Look at what you are doing.” A Jubilee moment exposes human greed and brings to light the selfishness in society. The law didn’t have the capacity to change those things, it only showed it. But God said, *I will pour out my Spirit upon you and the law will be written in your heart.*<sup>2</sup> Jubilee is no longer just a law. Christ has fulfilled the law and has sent us his Spirit to implant this law *in our hearts*. As members of this Spirit-filled Church, to which we are bonded more closely by profession we commit ourselves to a living discipleship that entails

<sup>2</sup> Jeremiah 31:31

both generosity and sacrifice. We constantly call on the Spirit of God to empower and enable us to be a part of God's mission to *reset all areas of life, bring release and restoration – to be Jubilee.*

As bearers of peace and messengers of joy and hope, we must announce the kingdom of God is *now*. How do we do this? By remembering “who we are” – **our identity as Franciscans** - and being who we are called to be. Our Quinquennial mission statement calls us to “*celebrate and renew our Franciscan calling in the spirit of conversion.*” At this Quinquennial moment, and every day going forward, we must live this, tending to our own daily conversion, as well the conversion of society.

---

**Jubilee** was a recovery of identity, especially for the poor. It is not about simply correcting economic problems, which is very important; not even just caring for the poor because they're poor; but **it is restoring identity**, which is a part of their history and very important for them.

– CB Samuel

---

Can we bring about the changes that are needed, both in ourselves and in our world? We have spoken a lot this year about prophetic creativity. Let's align ourselves with the creativity of God who says, “I make all things new” and dare to be creative. Let us incarnate and enact the certain hope of this new creation, and be the change we long to see.

This is my hope - that what I celebrated in my 50<sup>th</sup> year will always remain with me, and that this new focus on Jubilee will be a time for all of us to once again celebrate God's mercy and forgiveness, know God's love in a new way, and to start again. To forgive others. To love all people and all creation as sister and brother. To accept our humanness. To rejoice in how God is working in our lives, and how he is working right now in this time of Jubilee. God truly is at work among us, making all things new!

I have often talked of the trajectory that we are on. There is a new day ahead. New leaders will be called forth. There will be new opportunities to share God's love. But let's not just look ahead. Let's look to today – to right now - for *now is the acceptable time*.

Many will be drawn to the Quinquennial to experience Jubilee, but here's the good news - you don't have to be at the Q to experience it. Jubilee joy is ours whenever and wherever we pause to acknowledge God's presence with us. Jubilee joy is in every Franciscan heart, and is palpable in every experience of fraternity – in every moment of fraternal communion. The world needs this Jubilee joy. Let's share it!

### **Jubilee Song of Restoration**

*Psalm 126*

*When the LORD restored the fortunes of Zion, we thought we were dreaming.  
Our mouths were filled with laughter; our tongues sang for joy.  
Then it was said among the nations, “The LORD had done great things for them.”  
The LORD has done great things for us! We are filled with joy!  
Restore again our fortunes, LORD, like the dry stream beds of the Negeb.  
Those who sow in tears, will reap with cries of joy.  
Those who go forth weeping, carrying sacks of seed,  
Will return with cries of joy, carrying their bundled sheaves.*

## St. Thomas More Region Welcomes You

It is with joy in my heart that I welcome each of you to our 20<sup>th</sup> Quinquennial Congress on behalf of St. Thomas More Region in sunny Arizona, where there is a dry heat! ☺

It is definitely the time to celebrate and renew our Franciscan calling in the spirit of conversion. We are celebrating the 800<sup>th</sup> anniversary of the *Memoriale Propositi* (1221-2021) and the 100th anniversary of our National Quinquennial Congress! And so what if we aren't on the exact years – WE STILL DID IT!! (Of course, with the guidance of the Holy Spirit.)

There are so many to offer our thanks of prayer for: the National Executive Council, the Q Committee, the volunteers of St. Thomas More Region, and beyond, and the list goes on. Even with all of the challenges that were faced, and I bet even you yourselves had some, we are here to spend time together as a family from around the United States – and beyond. What greater joy could there be than that!

Let us be thankful for our present and excited for our future. Let us share our Franciscan love for one another. Let us make new friends, enjoy and learn from each other – we are family! In other words ~ let us experience this time of JUBILEE! And remember: YOU ARE LOVED!

THE ROMAN CATHOLIC  
DIOCESE OF PHOENIX

May 24, 2022

Dear Brothers and Sisters in Christ,

I wish to extend to all of you a “warm” welcome, as you gather in Phoenix, Arizona, August 3-7, 2022, for the Secular Franciscan Quinquennial Congress.

As members of the Franciscan family, you strive to cultivate a personal relationship with Jesus Christ through prayer and the Eucharist, and to bring His love and mercy in the ordinary events of your daily life: to your families, in your communities, parishes and workplaces.

I pray that, through the intercession of St. Francis of Assisi your time here will be positive and productive as you renew your commitment to live the Franciscan spirituality and bear witness to your Faith in society.

With prayerful best wishes, I remain

Sincerely yours in Christ,

A handwritten signature in blue ink that reads "Thomas J. Olmsted".

# KEYNOTE SPEAKERS

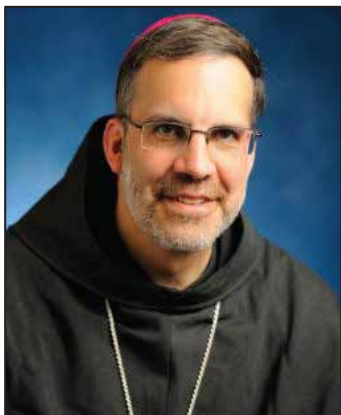

**David B. Couturier, OFM Cap.**

*“Called to build a more fraternal and evangelical world: Secular Franciscans as a Community of Care and Moral Transformation.”*

“This presentation will review the dynamics of the Secular Franciscan Order’s prophetic challenge to build a more fraternal world, in light of Pope Francis’ encyclical Fratelli Tutti.”

David B. Couturier, OFM Cap. is the Executive Director of the Franciscan Institute and Franciscan Institute Publications and is an Associate Professor of Theology at St. Bonaventure University in Olean, NY. He is the Dean R. Hoge Professor of Pastoral Planning and Church Management at the Graduate Theological Foundation, and is Professor in the Department of Theology at the Pontifical Antonianum University in Rome.

In the Introduction to the 2nd edition of *The Four Conversions: A Spirituality of Transformation*, Father Couturier states: “Normally, we concentrate our thoughts on the way that St. Francis’ message of poverty and peace moves our individual hearts to repentance and rejoicing. This is good and necessary. However, it is time, I would suggest, to consider Franciscan themes in their corporate and structural dimensions. Franciscanism is essentially a corporate charism, a gift and commitment to fraternity and solidarity. .... This new concentration on structural conversion cannot replace the critical importance and indeed primacy of personal conversion in the spiritual life. It is meant to extend personal conversion’s reach and to remind Christians how structural sin easily undermines personal conversion.”

**Bishop John Stowe, OFM Conv.**

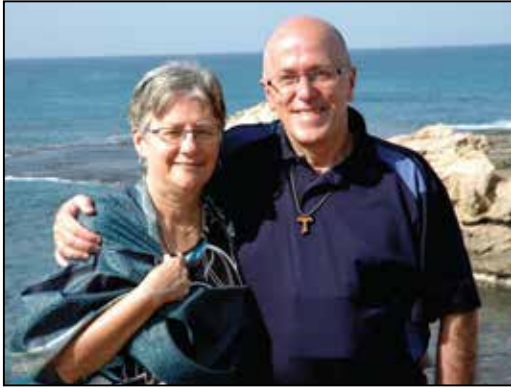

*“Rebuilding the Church in the Spirit of Saint Francis: Secular Franciscans in the age of Pope Francis”*

The whole Franciscan Family rejoiced when the first Jesuit pope in history chose the name of "Francis". Since that day in 2013, we have come to know how he shares the vision and the priorities of his namesake. This presentation will look at the "Joy of the Gospel" as both a synthesis of Franciscan spirituality and a program for the renewal of the Church while considering how Secular Franciscans are called to be part of that mission today.

Bishop John Stowe, OFM Conv. Professed solemn vows as a Conventual Franciscan in 1992, and was ordained as the third Bishop of the Diocese of Lexington, KY in 2015. He holds a Masters in Divinity degree and a Licentiate in Church History from the Jesuit School of Theology in Berkeley, CA.

**Wednesday, August 3 at 8:00 pm – Phoenix B**

Facilitator: Br. Bob Brady, OFM

1 hour, 10 minutes

*Enduring Faith: The Story of Native American Catholics* explores the rich legacy of faith among Native Americans. Discover how in the 16th century, Our Lady of Guadalupe appeared to an Indigenous elder as a mestiza woman and generated the largest conversion in world history. Hear the inspiring story of the first canonized Native American saint, St. Kateri Tekakwitha. Learn about a 20th century Lakota healer, Nicholas Black Elk, whose cause for canonization is currently open in Rome.

This film will inspire in viewers a deeper appreciation for the spiritual and cultural gifts of Native American Catholics, the unjust policies of the British and American governments, and a sense of hope at how Native American Catholics continue to live out their faith. Above all, it offers a missing piece to the greater story of Catholicism in America and a beautiful example of how Christ reveals himself through the uniqueness of every culture.

### ***T Stranger/Sister: A documentary film by Kirsten Kelly & Katie Taber***

**Saturday, August 6 at 4:00 pm – Jubilee Room / Phoenix DE**

Facilitated by OFS-USA Ecumenical Committee

39 minutes, followed by discussion

*Stranger/Sister* is the story of two ordinary women, one Muslim and one Jewish who dare to believe they can join hands to stop the wave of white supremacist hate surging across the US. With both their communities threatened, they overcome a long history of distrust between their two religions and build a movement that turns strangers into sisters. Intimately following women from Sisterhood of Salaam Shalom chapters in Austin, Chicago and across the Nation, the Sisters build a powerful network of hope in a time of chaos and hate, challenging our assumptions about how to fight hate in America and perhaps around the globe.

# History of the Quinquennial Congress

by William Wicks, OFS  
*Former National Fraternity Historian*

The picture shows the theater auditorium filled with 4,300 Tertiaries. Many Tertiaries of the city had to return to their homes, being unable to procure seats. History of Quinquennial Congress

## 1st Congress - Chicago in 1921

Third Order members from all over the U.S. were gathered as one family for the first time. Some 600 friars, diocesan priests, prelates and Tertiaries were in attendance. Delegates proposed to the Provincials that one national Third Order organization be formed, with a Directive Board and an Executive Council. The report of this Congress, together with additional material on the Third Order, was published in the *First National Third Order Convention, USA*, edited by Fr. Hilarion Duerk, OFM, Chicago, 1922.

## 2nd Congress - New York City in 1926

This Congress emphasized the Third Order's mission in two areas -- recruiting the young and formation of fraternities at non-Franciscan churches and institutions.

## 3rd Congress - San Francisco in 1931

The theme was social reform through the medium of individual reform. Catholic Action was the essence of the program.

## 4th Congress - Louisville in 1936

The work of the previous Congress was continued and presented as a well-defined program of Catholic Action -- the *Three Point Program of Popular Economics*. It should be noted that this Congress, and those up to and including the 12th Congress, was covered in the *Franciscan Herald and Reform*.

## 5th Congress - Pittsburgh in 1941

The Congress commemorated the 20th anniversary of the formation of the national organization and the encyclical, *Sacra Propendum*, of Pope Benedict XV. It witnessed to active participation of young people in the ranks of the Third Order. The Congress overcame a last-minute hotel strike; local religious communities and schools offered accommodations to save the day.

## 6th Congress (delayed a year due to World War II) - Cincinnati in 1947

The Sixth Congress highlighted a *Return to Christ Through the Family*, in as much as good Christians and Franciscan life are the aim of all Tertiaries.

## 7th Congress - Milwaukee in 1952

It covered the Third Order Apostolate, for the Third Order of St. Francis has its roots in the Gospel and necessarily is apostolic.

## 8th Congress - Boston in 1957

The Congress celebrated the 75th anniversary of the encyclical of Pope Leo XIII, *Auspicato*. Theme: *Franciscan Way of Life*, was based on the 1956 discourse by Pope Pius XII. The keynote address was given by Archbishop Richard J. Cushing, Episcopal protector of the Third Order in the United States.

### **9th Congress - Detroit in 1962**

Theme: *The Third Order in the Life of the Church Today*, in light of the encyclical, *Mater et Magistra*, of Pope John XIII. The keynote address, based on the theme, was made by Robert Alerding, TOF.

### **10th Congress - Philadelphia in 1967**

Theme: *Franciscan Renewal Today*. The keynote address was given by Thomas Ricard, TOF.

### **11th Congress - Santa Clara, California in 1972**

The Eleventh Congress was described as a *Week of Community* during which lay Franciscans, sisters, and priests prayed and shared together, striving to understand what it means to be a Franciscan in today's world.

### **12th Congress - Collegeville, Minnesota in 1977**

Theme: *Evangelization, Francis' Gift to America -- The Word Made Flesh in Our World*. Manuela Mattioli, TOF, minister general, Third Order of St. Francis, was a featured speaker.

**There was no Congress in 1982.**

### **13th Congress - San Diego in 1987**

Theme: *Live, Learn, Love the Rule*. This was the first Congress organized solely by Secular Franciscans, with the encouragement of the friars. Computers were used for the first time in the administration of the Congress.

### **14th Congress - Dayton, Ohio in 1992**

Theme: *Christ's Faithful People, the Challenge and Response*. It was based on the Post-Synodal Apostolic Exhortation, *Christifideles Laici* by Pope John Paul II, on *The Vocation and Mission of the Lay Faithful in the Church and in the World*. A vision statement summarized the theme of the Congress: fidelity to love for the Church and the Franciscan Way of Life, responsibility to rebuild the Church through our faithfulness to prayer and service to all people, centered on the theological virtues of faith, hope and love.

### **15th Congress - Newark, Delaware in 1997**

Theme: *Now is the Time - The Kingdom of God is at Hand*. Secular Franciscans, friars and religious gathered together to face the upcoming millennium with a strategy of leadership, an authentic experience of community, and a vision to build a world based on Christ's values.

### **16th Congress - New Orleans in 2002**

Theme: *TAU (Transformation, Apostleship, Unity)* Motto: *Called to Build a More Fraternal and Evangelical World*

### **17th Congress - Pittsburgh in 2007**

Theme: *Many Cultures through Francis - in Clare*. The Congress focused on the multicultural aspect of the Secular Franciscan Order in the USA.

### **18th Congress - Chicago in 2012**

### **19th Congress - St. Louis in 2016**

St. Mary's Basilica, the oldest church in Phoenix, will host our Eucharistic celebrations. St. Mary's is a community built around Franciscan values of Peace, Justice and the loving embrace of all people.

There has been a secular fraternity at St. Mary's Basilica since 1889. The first fraternity, named St. Elizabeth Thuringia, was Spanish-speaking. An English-speaking group within the fraternity was formed in 1920. It was re-named St. Francis Fraternity in 1940. It has been meeting continuously for 82 years.

## GREETINGS FROM ST. BONAVENTURE REGION MBARARA, UGANDA

Dear Brothers and Sisters,!

We are profoundly honored and excited to have you as our Brothers and Sisters "OFS".

I welcome you my dear brothers and sisters on at "The Q". Since 2015, our region St. Bonaventure Mbarara Region and our national fraternity of Uganda have had a twining relationship together with Franciscans of the Prairie Region in Illinois, USA. How wonderful it is to live in the presence of the Lord as one people/ brothers and sisters!

We are grateful for your prayers and formation support that you have sent us. In 2018 you shared with us a variety of formation materials & books that we shared with other national fraternities in Africa where in need. Again, in 2019 you brought us statues of St. Francis together with Tau crosses, a PC projector, and some financial resources that were shared with local fraternities to further our ongoing formation.

May Almighty God bless you abundantly and continue to pray for us to be canonically established as the national fraternity of Uganda and pray

St. Bonaventure Region members with St. Francis statues from Franciscans of the Prairie

for our regional to have established a center building (office) that is our dream plan.

Remember! As Franciscans we believe that if we establish a firm foundation which is grounded in our faith in Jesus and His church, we can withstand the ravages of Satan and stand as a teacher to the love of Christ as demonstrated by Saint Francis.

Our Franciscan fraternity's foundation is built on four pillars: Spirituality, Formation, Fraternity and Apostolate. Each pillar does not stand by itself but supports the three other pillars. Together these four pillars all work to support our entire fraternities.

In our regional fraternity, we are currently working to strengthen these pillars through different mission work such as prison Ministry, Youth, Children/ Youfra, Education for the Poor, Environmental Protection/JPIC and Health for All (Poor) among others. The Franciscan value calls for interaction with other people and creation.

Mwebebare Munonga!

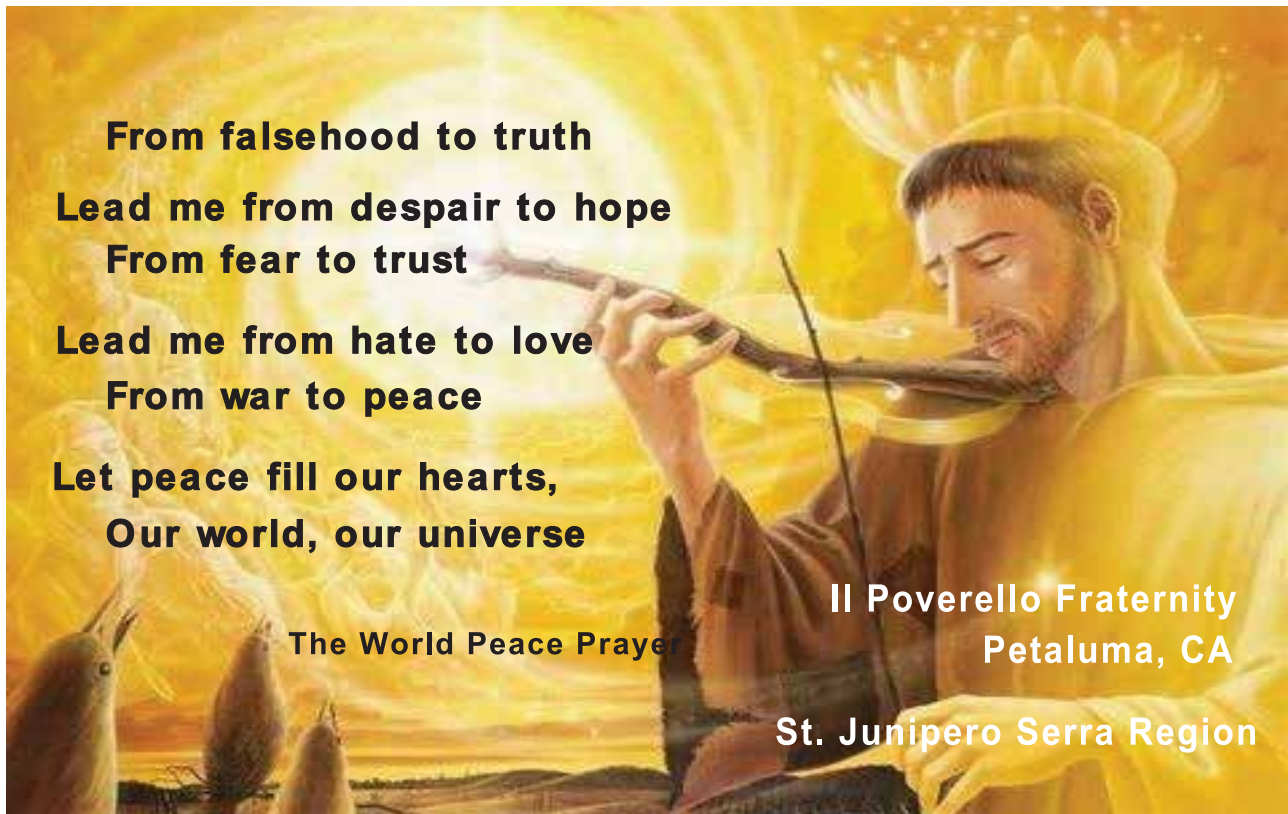

**Thanks Very Much.**

*"Because the vision of Christ is the splendor of eternal glory, the radiance of eternal light and the mirror without stain, look upon that mirror each day, O queen and spouse of Jesus Christ, and continually study your countenance within it, so that you may clothe yourself inside and out with beautiful robes and cover yourself with the flowers and garments of all the virtues, as becomes the daughter and most chaste bride of the Most High King. Indeed blessed poverty, holy humility, and ineffable charity are reflected in that mirror, and, with the grace of God, you can contemplate them throughout the entire mirror."*
